À PROPOS DE CENTURA

Since it was founded over 80 years ago, Centura has always had a clear mission: to provide its customers with the finest wall and floor coverings in Canada. Centura's commitment to this mission is reflected in our wide variety of innovative products, each carefully selected to meet the highest quality standards.

Our longevity and position as one of Canada's largest floor and wall covering distributors is no coincidence. We are committed to satisfying our customers with solutions perfectly tailored to their needs in a professional and friendly environment, supported by a group of employees offering a high level of customer service. With 14 branches across the country, each with its own vision and a range of products specially chosen for its clientele, we have built up a wealth of technical expertise and in-depth knowledge of the various Canadian markets.
