WALL BASE

RUBBER AND VINYL

Whether it's our premium SBR rubber wall base or a lower cost vinyl alternative, Roppe wall base provides the flexibility and durability needed for any installation. With each product available in 70 colors, and matching rubber corner blocks, Roppe wall base provides a complete solution for price and performance.

Alphabase® combines the performance and design benefits of Pinnacle Rubber Base, with wayfinding solutions.

PINNACLE

RUBBER BASE

No matter what the project, PVC free Roppe Pinnacle rubber base is ideal for the job. Pinnacle is the professional's choice, because this SBR rubber base is highly durable and extremely flexible, allowing for easy installation around columns, corners and architectural curves.

ALPHABASE®

RUBBER BASE

When the project calls for signage combined with a durable SBR base, Roppe has the answer in AlphaBase® wall base products. Ideal for safety applications, Alphabase® can minimize panic and disorientation during evacuations. Custom signage is perfect for schools, hospitals, dorms and public buildings to convey accessibility messaging.

700 SERIES WALL BASE

700 Series Wall Base offers more flexibility and is easier to work with than vinyl wall base products. Our Type TP thermoplastic rubber and vinyl blend makes the 700 Series an economical choice for a variety of applications. Plus, it's available in a beautiful color palette, so design aesthetics can still be achieved.

VINYL WALL BASE

Roppe Vinyl Wall Base provides an affordable option that still delivers on good looks and performance. Our Type TV thermoplastic vinyl base is durable without sacrificing appeal.

CORNER

BLOCKS

Roppe Rubber Corner Blocks and Micro Corners offer a simplified corner solution available for inside and outside corners in two profiles that install within minutes with standard tools. Our extruded and vulcanized corner blocks save installation time by alleviating costly hand-scribing and the need for skilled craftsmen expertise in the corner-forming process. The durability of these corners also minimizes damage and detachment during everyday use and maintenance. And the corners are available in 70 matching colors to Pinnacle Rubber Base.
