

FEATURES

- For indoor areas with medium traffic up to 500 people/day e.g.: restaurant, museum, waiting areas, retail store aisles...
- New and unique high and low pattern. It is not only attractive but also traps dirt in the mat to prevent from entering the building
- Tight loop-pile surface offers excellent water retention and resist crush for a long lasting look
- Molded plastic blades resist crushing, mildew and fading
- ThermoFlex™ backing for superior floor protection
